

Distraction Theft – Edmonton Edmonton Police Service File#10-4964

Subject pictured above were involved in a theft of \$1100.00 earrings at the Bonnie Doon Mall

On December 22, 2009 the above two subjects entered into a Jewellery Store. After looking around the store for a few minutes the female began to distract the clerk by trying on items. During the distraction the male opened an unlocked display case, removed the items and closed the case. The male then walked over to the female and said something to her and then left the store. The female then left the store a few moments later.
